Why don't you use Fegee Oil?

Whiteley's Hidden Hand Company that appear at Opera House, Monday Eve, January 15, will introduce on the stage, in the Great Plantation scene in this Drama, their highly educated pet lady donkey, "Emma," and also their \$1000.00 Challenge Pony, "Gap." This pony is a thoroughbred Arabian-Shetland Pony, and claimed to be the handsomest pony ever brought to this country. He is valued at \$1000.00 by Mr. Whiteley, and will be performed on the stage of the Opera House, by "Capitola," (Miss Nora Vernon) in the Cotton Picking scene. Be sure and see the finest pony, and the best donkey, in America, both trained for the stage, and will appear with this excellent company. Two and one half hours of continuous laughter.

Use Fegee Oil for Rheumatism, Neuralgia and pains of all kinds. Try it once.

The handsomest and best of singing southerners on the American stage, Nora Vernon, as Archie, the Newboy, and Capitola, in "The Hidden Hand," at the Opera House, on Monday evening, January 15.

WHITELEY'S HIDDEN HAND COMPANY, that appears at the Opera House, on Monday evening, January 15, is the only recognized standard company in America playing this great drama, carrying special scenery, and everything to make the play a great success. No other company in America plays a dramatization of this celebrated story, that is approved and endorsed by the authors, Mrs. E. D. E. N. Southworth. Don't fail to see it.

Fegee Oil is the mortal foe to Rheumatism and Neuralgia; it will also immediately relieve the pain arising from burns, scalds, etc. Get one bottle from Hunter and Harrington and you will be convinced that what we say is true.
